

Announcing our New Australian Office

Pacific Search Partners (Melbourne, Australia) is a relationship driven, 'boutique style' executive search firm, assisting Chief Executives and Boards in the appointment of key Senior Executives and Non-Executive Directors and Chairs.

Pacific Search Partners are a team of 3 highly skilled and experienced persons based in Melbourne. The business comprises several elements: Non Executive Director and Chair search (40%) and CEO, other C level and General Management roles (60%). In addition, Pacific Search Partners provide ad hoc services such as, interim executives, and career advice and management assessments.

Pacific Search Partners place an emphasis and value on their clients as Partners during the search process. Their operating style, fee schedule and personal commitment reflect a partnership concept throughout the life of the assignment, and beyond. Areas of expertise in Agriculture, Mining/Oil & Gas, Professional Services, Education, Health, FMCG, Media & Advertising across ASX listed public companies, private companies, member organisations and government.

Ad Capita Executive Search - INAC Portugal is able to provide Key Account Management capabilities combined with a local team of experienced consultants offering unrivalled expertise across all major sectors. We are professionally committed to provide a seamless Executive Search service to our clients willing to explore those opportunities and are in a strong position to deliver responsive, adaptive and lasting solutions to meet the expertise, skills and experience requirements of companies in the region.
